To Whom It May Concern,

This letter is to certify that 4Science is a Certified DSpace Platinum Service Provider in good standing.

Requirements of the DSpace Service Provider program include reference checks, as well as financial and in-kind contributions to help support the DSpace open technologies and community.

4Science's community efforts include the technical expertise of code committers, participation in the development of DSpace 7 and serving on the DSpace Leadership and Steering Groups. They serve customers in Europe, Asia, Africa, and North America.

Their commitment to DSpace open technologies and communities and their demonstrated expertise make 4Science an excellent candidate for any repository project.

4Science's participation in this program is valid until June 30, 2024.

Sincerely,

A handwritten signature in blue ink that reads "Laurie Arp".
