 - EBITDA more than doubled to Euro **0.1** million
 - Total employees: **78** (**+40** compared to 2023)

Milan, 23 April 2024 – **4Science S.p.A.** (Isin Code **IT0005503989**, ticker "**4SCI**", hereinafter also "**4Science**" or the "**Company**"), **Innovative SME** listed on the MTF Direct Market of the Vienna Stock Exchange and part of the **Itway Group** (listed on the Euronext Milan market, Isin Code

IT0003057624), specified in Data Science, Data **Management** and Data Repository for the **Scientific Research, Cultural Heritage** and **Big Data** market, announces that the Board of Directors has examined and approved the Company's draft statutory financial statements for FY2024.

The Board of Directors has reviewed and approved the Company's draft statutory financial statements for FY 2024.

The Company closed FY2024 with a Value of Production of Euro **3.43** million, slightly down compared to 2023 (Euro **3.58** million).

The Company recorded an increase in the Gross Profit, growing from Euro **2.81** million to Euro **2.92** million, with a strong increase in the Gross Margin, reaching **85.0%** (up from **78.5%** in 2023).

The revenue slowdown, mainly due to the timing shift of certain orders, coupled with increased personnel and structural expenses, led to a deterioration in EBITDA, which stood at Euro **-24** thousand compared to Euro **164** thousand in 2023.

As a service-based company, 4Science's main investment was in human capital, with personnel costs rising by Euro **298** thousand as headcount increased from **38** (December 31, 2023) to **44** (December 31, 2024). Notably, the growth has been continuous from December 31, 2022, when headcount was **27** – a total increase of **17** highly specialized professionals over two years. In 2024 alone, the Company added **6** professionals in commercial roles, project management, analysis, development, service desk, and system administration, as per its investment plan.

The Net Financial Position (NFP) at year-end 2024 was Euro **1.41** million (net debt), including Euro **0.31** million in available cash.

In addition to reaffirming its commitment to R&D (investments of Euro **0.6** million), the Company nearly quadrupled its total investments (Euro **2.29** million), also due to the Seacom acquisition.

Regarding the newly acquired Seacom Srl SB, this Company is a Benefit Corporation and in 2023 issued its first Gender Balance Sheet; it is also in the process of obtaining B Corp certification.
